

To Whom It May Concern:

It is my pleasure to write this letter of recommendation for JOÃO PEDRO SALGADO. I have had the pleasure of viewing JOÃO's professional development for a period of two months, and I can state with confidence that he is a motivated and responsible person with a high degree of integrity. As such, I expect that he will be a very positive addition to your company.

He worked as a back-end developer in our company, mostly developing tasks with TypeScript. He handled all responsibilities effortlessly. Besides, he has shown the willingness to improve his skills, TypeScript (Main Language), Express JS + React, Java Script, HTML & CSS

Besides his computer skills, he has shown other abilities, such as, Customer service, Openness, Responsibility, Teamwork.

I therefore highly recommend him. If you need any further information about JOÃO, do not hesitate to contact me.

Sincerely,
